

Maurizio Cattelan
"Comedian" 2019

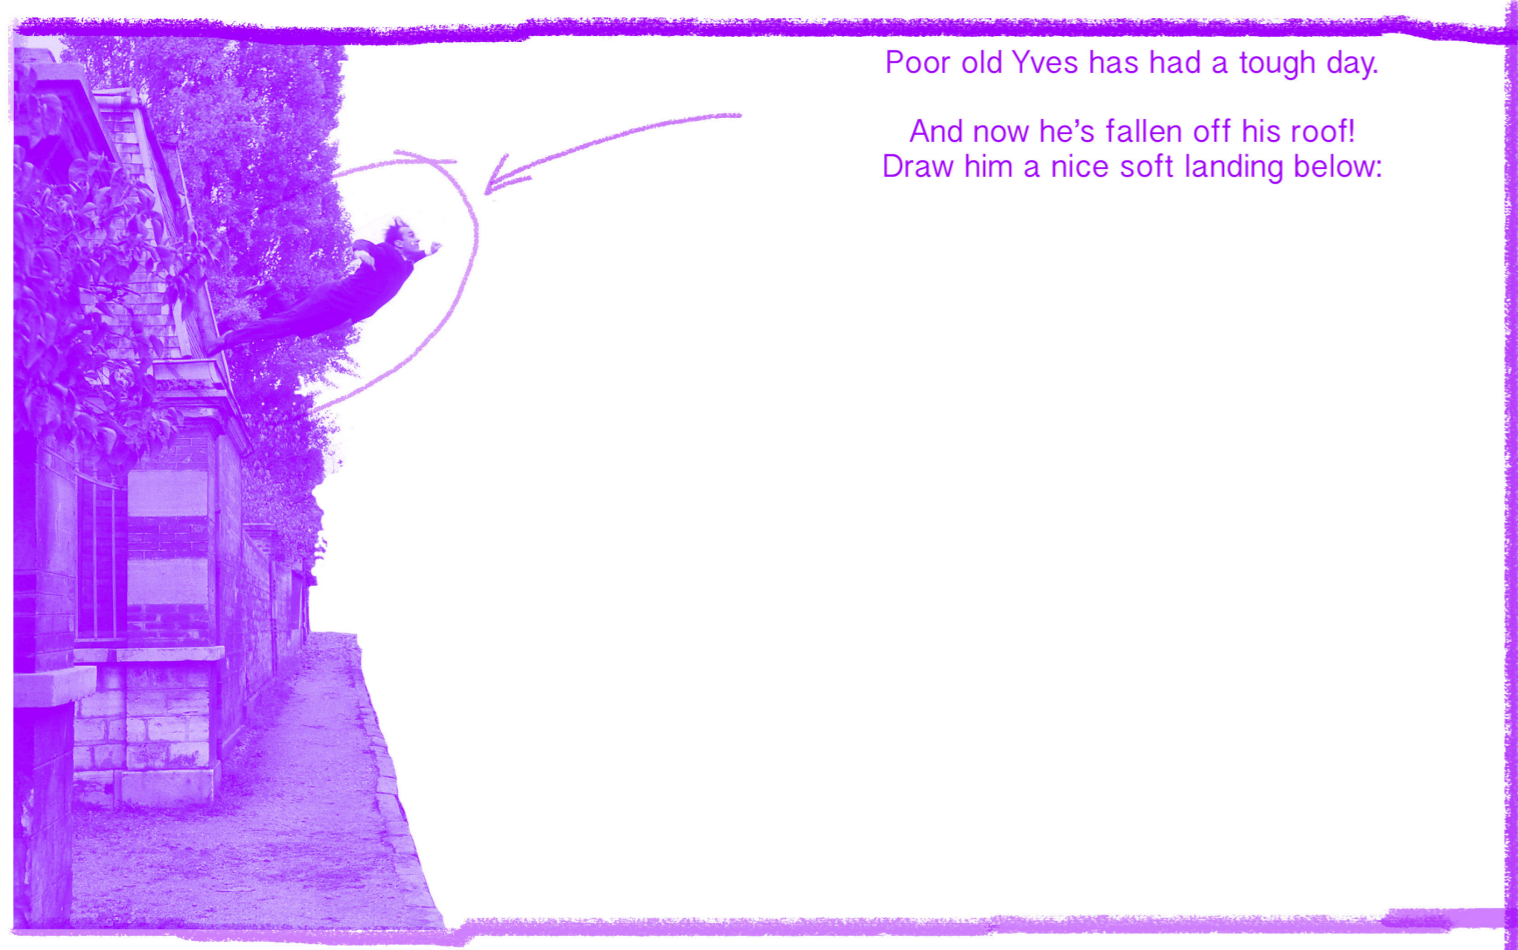

Sometimes art can be *beautiful*
Sometimes it can make you *think!*
Sometimes it is just a bit *weird!*

One time an artist called Maurizio made a famous artwork where he stuck something to a wall with some gaffer tape.

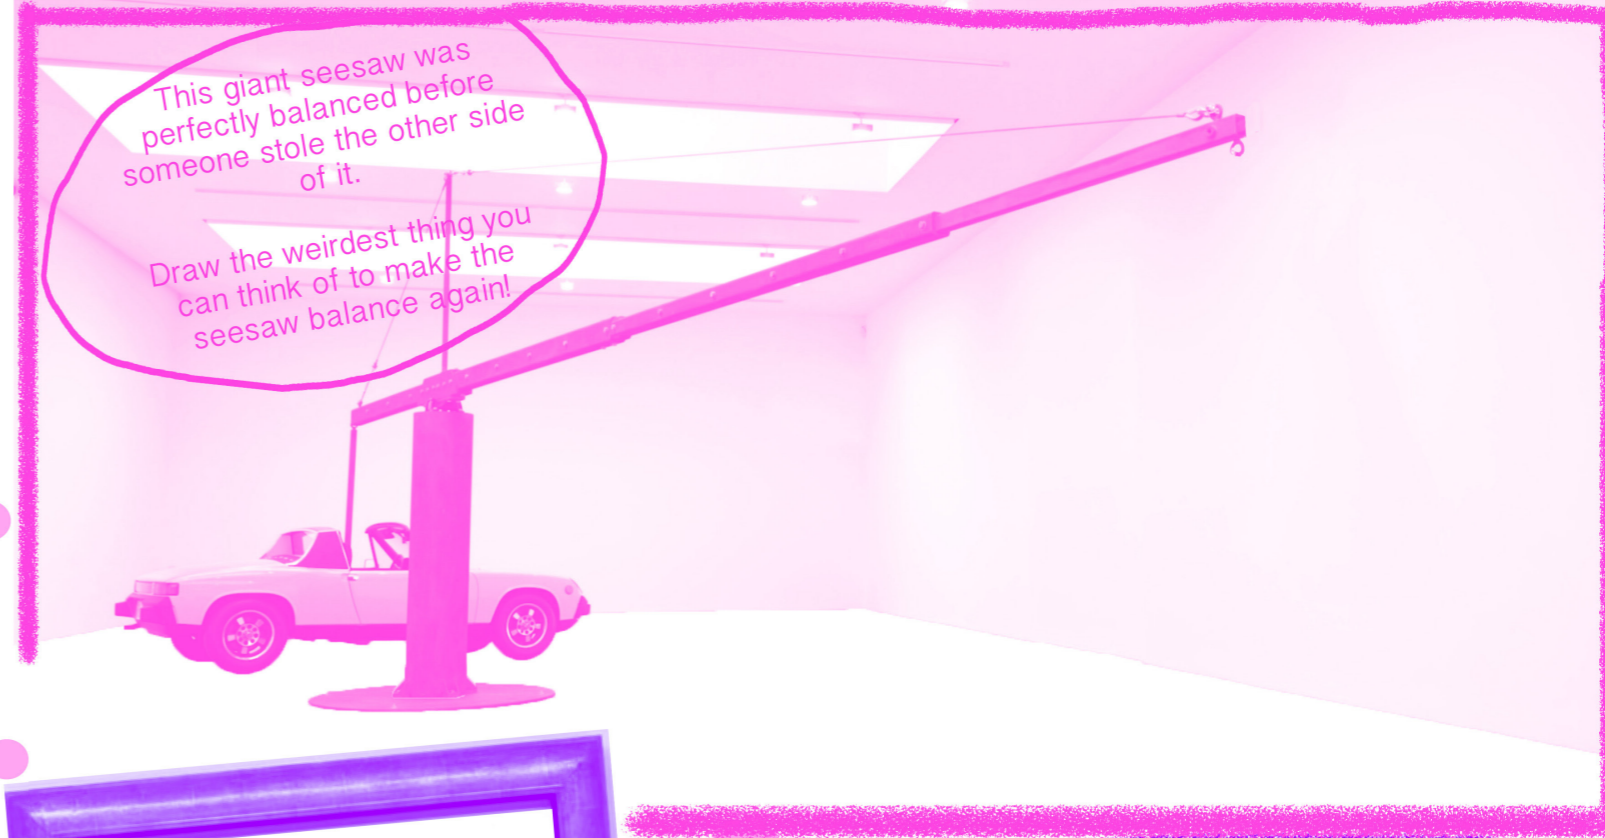

Draw what you would stick to our gallery wall under this gaffer tape?

Make sure it is either beautiful, makes you think, or is just a bit weird!

Poor old Yves has had a tough day.

And now he's fallen off his roof!
Draw him a nice soft landing below:

This giant seesaw was perfectly balanced before someone stole the other side of it.

Draw the weirdest thing you can think of to make the seesaw balance again!

What is this?

The artist has forgotten to sign this artwork!

Can you sign it for them?

This is Salvador.

He used to have some of the best facial hair in the world, but he's accidentally shaved it all off! He needs it drawing back on quickly! Over to you!

Marina and Ulay aren't getting along.

What are they arguing about?

BAD WAXWORKS

Sometimes art goes wrong. Draw yourself as a bad waxwork!

- 1) Close your eyes
- 2) Touch your face with one hand
- 3) Draw yourself by what you feel with your other hand!

← Lisa is a bit sad.
Draw some things around
her to cheer her up!

MAKE A KUYCK-COHEN CAT!

In his exhibition *Brown Carpet*, artist Harley Kuyck-Cohen filled the gallery with lots of wooden cats! Now we want you to do the same!

What you need to do:

- 1) Colour in the template of the cat. Go wild!
- 2) Carefully cut out around the lines of the template.
- 3) Match up the letters of the holes on your template (e.g A with A)
- 4) Using split pins, carefully push through the template, to make the joints!
- 5) On the other side of the paper, fold the split pins down.
- 6) Move your cat around into any purr-sition you like!
