In 1974 American Artist **Sol Lewitt**
made over 100 incomplete sculptures

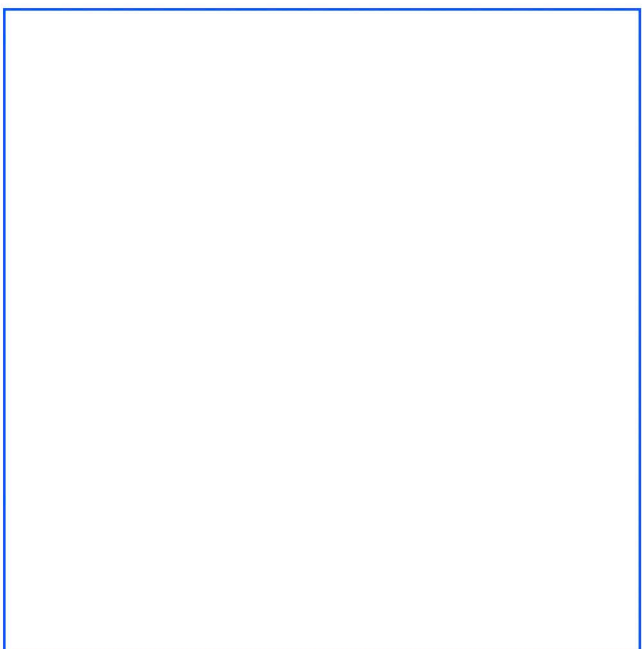

Please complete this one for him.

This is an artwork by artist Henri Matisse called **The Snail**. It's made from squares and rectangles.

Please draw a **Slug** using only triangles and circles.

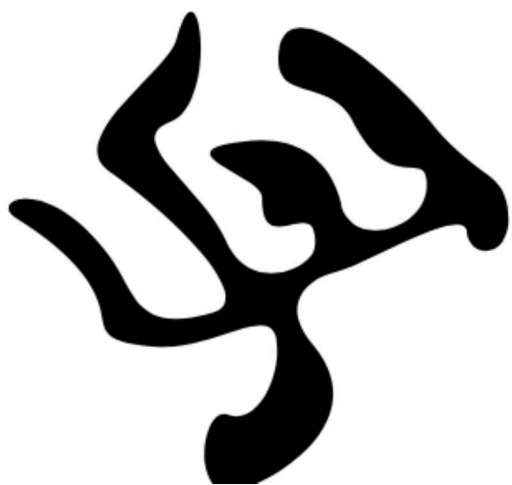

Artist Donald Judd absolutely loved boxes but he forgot to fill them with anything. Please help him out.

Draw a circle after spending all afternoon in a hot sauna.

This is a brand new never before seen shape.

What's it called?

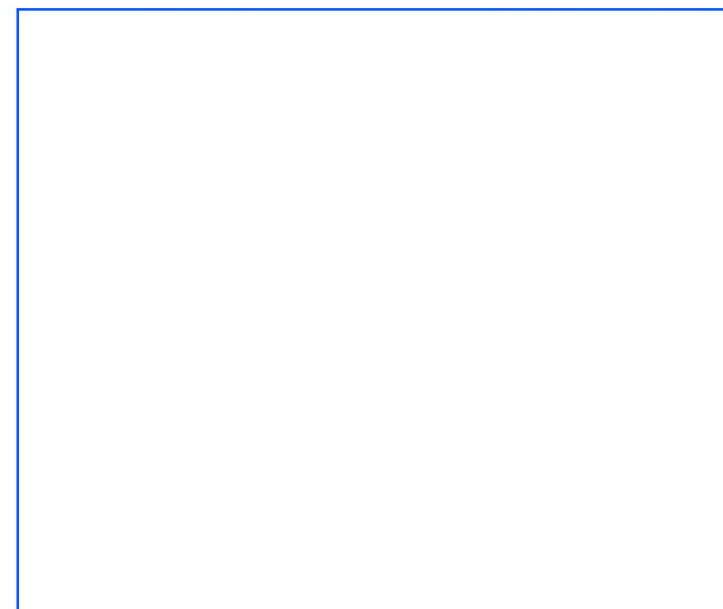

.....

Please draw an arrow that's really out of shape.

These people are **throwing shapes on the dancefloor.**

Draw the same people **cutting shapes on the dancefloor**

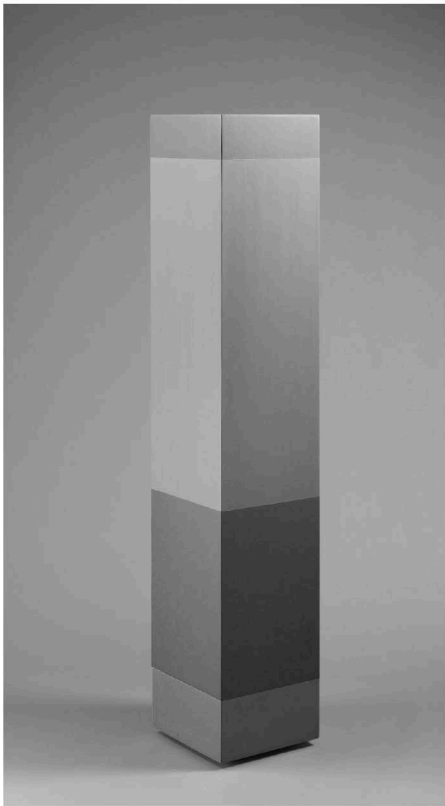

Write a poem about a star that was so jealous of a diamond that it imploded

The Great Pyramids of Giza in Egypt are so big, some people think they were built by aliens.

Please draw the aliens looking down from space at their incredible creation

This sculpture has been keeping a dark secret.
Over 50 years later it's finally decided to reveal all.

What does it have to say?
